CALCIUM CHLORIDE

WARNING!

Causes serious eye irritation.
Wash hands thoroughly after handling.

FIRST AID:

Eyes: Flush with water for several minutes. Remove contact lenses, if present and easy to do. Continue flushing. If eye irritation persists: get medical attention.
Skin: Remove contaminated clothing and shoes, if necessary. Wash thoroughly with soap and water.
Inhalation: If breathing is difficult or discomfort persists, get medical attention.

HAZARD INFORMATION:
H314 Causes skin irritation.
H335 May cause respiratory irritation.
P273 Avoid contact with water.
P501 Dispose of contents and container in accordance with local, state, and federal regulations.

Storage & Disposal: Store at ambient temperature.
Spills: Close the spigot liquid and either pump back the liquid into the container or cover with clay-type substance to absorb.
For additional information, refer to Safety Data Sheet (SDS).

Net Contents: 1 gallon
