FIRST AID

See the product container or label with you when calling a poison control center or doctor for product information. In case of medical emergency call 1-800-424-9300.

IF SWALLOWED: Do not induce vomiting. Drink plenty of water. Call a poison control center or doctor for treatment advice.

IF ON SKIN: Wash thoroughly with plenty of water. Call a poison control center or doctor for treatment advice.

IF IN EYES: Flush eyes with water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance. Provide artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

IF ON CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF ON SURFACE: Call a poison control center or doctor immediately for treatment advice. Wash surface with water if able to do so. Do not eat or drink anything, unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
